Little Explorers is a six-week baby-and-caregiver class designed for babies ages 6 months to pre-walkers who are ready to explore the world through texture, color, movement, music, books, and play. Created by Little Lantern Kits and Belmont Baby, this class gives families a warm, welcoming space to connect, discover, and make meaningful memories together.

What to Expect

Welcome Song + Group Prompt

We'll begin with a song and a simple question to help caregivers connect.

Sensory Activity

Each week features a new baby-friendly sensory experience.

Active Play

Families can explore, crawl, roll, play, and connect in a baby-safe environment.

Story Time

We'll gather for a sweet book that ties into the day's theme.

Wrap-Up + Reset

Each class ends with an intention-setting question for the week ahead.

Free Play

Re-engage with active play activities or visit the playground outside. Older siblings will be allowed to join if supervised.
